2024 STATE SENATE DEMOCRAT  
7TH DISTRICT

## *Putting Kids and Families First*

### OUR COMMUNITY

has a rich history of progressive politics and electing great community leaders that put the interest of the public first. As an Assemblymember, Sandré R. Swanson has been a champion for social and economic justice. His record of service to our community has helped the East Bay remain the progressive conscience of California.

### About Sandré

As a young activist, Sandré worked for Congresswoman Shirley Chisholm's Presidential Campaign in California. This was his introduction to the campaign experience. As a result of joining this historic campaign, Sandré met another young activist—Barbara Lee. They became and remain lifelong friends. Before Sandré was elected to represent the cities of Oakland, Alameda and Piedmont in the California Assembly, he served five years as Chief of Staff for Congresswoman Barbara Lee. Before that,

Sandré started his government service as an entry-level Legislative Aide, promoted to District Director and Senior Policy Advisor for Congressman Ronald V. Dellums during his 25 years of service. Following his terms in the California Legislature, Sandré served as Deputy Mayor for the City of Oakland during the administration of Mayor Jean Quan. He has held a number of civic and community leadership positions. Sandré served as Chair of the Alameda County Employee's Retirement Association, ACERA; Chair of the Oakland Civil Service Commission; Chair of the Oakland Re-Use and Redevelopment Authority; Vice Chair of the City of Alameda Re-Use Authority; and Chair of the City of Alameda Golf Commission.

Of all of his community experience, Sandré has stated that his most enjoyable and exciting assignment was serving as the coordinator for Nelson Mandela's historic visit to Oakland. He organized the celebration that brought 60,000 people to the Oakland Coliseum in 1990 to welcome Mr. Mandela following his release from a South African prison.

Sandré was born in Oakland, California at Highland Hospital. Sandré and his wife Anita live in Oakland and have four adult children, five grandchildren and two great grandchildren.

# Sandré Swanson has Proven Leadership for the California State Senate

*As a member of the California Assembly, Sandré R. Swanson's record shows the demonstrated experience, accomplishments and character to be our next State Senator.*

As Chair of the Labor and Employment Committee, Sandré never compromised his principles during the hard fights, as he sponsored laws that improved the quality of life in our community. Sandré sponsored laws for workplace safety and wage protection. He led efforts to protect your pensions and retirement security. He has always supported our ongoing equal pay for equal work campaign. For these reasons, working families are joining our campaign.

Sandré is passionate about the plight of troubled and at-risk youth. As Chair of the Assembly Select Committee on the Status of Boys and Men of Color, his committee's work is still widely used today by the State in its strategies for assisting young people. As a result of this work, in 2014, Sandré was invited to the White House by President Barack Obama and was requested to participate in the President's "My Brothers Keepers" initiatives.

As a Member of the Assembly Budget Committee on Education Finance, Sandré worked hard to make education California's top budgetary priority. Keeping his promise, his first bill on his very first day in the Assembly was to return local control of Oakland schools from State control to the parents, teachers and students of Oakland. Our students continue to need our support.

As a Member of the Budget Committee, Sandré was a consistent voice for more funding for our State colleges. He remains committed to free community college and real student loan debt relief.

During California's budget debates, Sandré was at times the lone voice in the fight against the suspensions of Proposition 98 guarantees for school and classroom funding.

Sandré was a leader in the fight to keep redevelopment programs for affordable and Senior housing. He told his colleagues in real time that "the elimination of redevelopment funds would lead to more homelessness and a growing housing crisis". **History has shown Sandré's hard-fought opposition to the elimination of redevelopment funds were right and we need him now in the Senate to help us fix our current housing and homeless crisis. Sandré said, "solving the homeless problem is California's moral imperative and I will lead this effort as your State Senator."**

Sandré has also sponsored laws to reduce neighborhood crime for the safety of our children and entire community. His Assembly office maintained the best Constituent Service in the East Bay for those in need of help with the State bureaucracy. Sandré led the fight to keep the "Healthy Family Program" that provided healthcare for 740,000 poor children, supported community clinics and was a champion for accessible and quality health care for all the people of our State.

Sandré sponsored legislation for a healthy and safe environment while working for sustainable jobs with a living wage. He conducted hearings at the Port of Oakland on reducing truck emission to protect children and seniors with asthma and to reduce the greenhouse gas footprint. Sandré has made it possible for qualifying homeowners in his district to make affordable seismic safety upgrades to their homes for protection before the next large earthquake.

Sandré was a leading voice in the legislature with the "Stop The Spray"

*Assemblymember Swanson represented the cities of Oakland Alameda and Piedmont for three successful terms.*

movement protecting our children from pesticide spraying near schools. He sponsored laws to stop illegal dumping and supported green jobs. Sandré has worked over a number of years on conservation for our bay and supported efforts to rebuild California's wetlands.

**Sandré led the State's efforts to rescue our children from Human Traffickers—some children as young as 12 years old and he increased funding for wrap-around services for our most at risk-youth. During the budget battles of the recession, he challenged those in leadership, who demanded we gut the social safety net for the poor, the disabled, seniors and children. Sandré stood up against their threats and fought to protect this important funding.**

Sandré supported small business loans in underserved communities to increase employment opportunities. He has been an advocate for equal rights and civil rights for everyone.

# IMPORTANT LEGISLATIVE ACCOMPLISHMENTS

**Bills from Assemblymember Sandré R. Swanson that are NOW California Law:**

Assemblymember Sandré R. Swanson's record of hard work for the people of our district is clear. Here are some of his very important legislative accomplishments and his bills that are now California law.

## **Assembly Bill 499 (Swanson): Sexually Exploited Minors (SEMS)**

This bill will change the treatment of underage prostitutes from criminals to victims of sexual exploitation, and implement a pilot program to increase coordination between government, law enforcement and child advocates, thereby helping Sexually Exploited Minors escape the cycle of abuse and exploitation.

*Signed by Governor Schwarzenegger on September 27 Chaptered by Secretary of State –Chapter 359, Statutes of 2008.*

## **Assembly Bill 17 (Swanson): The Human Trafficking Accountability Act**

Increases up to \$20,000 the fine against a person convicted of pimping, pandering, or procurement of a minor and directs half of these funds to community-based organizations that serve underage victims of sexual exploitation and human

trafficking. AB 17 would also categorize these crimes as “criminal profiteering activity,” which could force those convicted of human trafficking to forfeit assets connected to those crimes.

The Human Trafficking Accountability Act would take an important step in recognizing that the fight to end the commercial sexual exploitation of children must start with increasing penalties against the “Johns” that keep this ugly, clandestine business alive.

*Signed by Governor Schwarzenegger on October 11 Chaptered by Secretary of State –Chapter 211, Statutes of 2009.*

## **Assembly Bill 90 (Swanson): Criminal Profiteering Asset Forfeiture Act**

AB 90 expands the types of human trafficking crimes subject to criminal profiteering asset forfeiture laws. Specifically, it provides that any case in which the defendant persuaded, induced, coerced or forced a minor to engage in a commercial sex act can be the basis of criminal profiteering asset forfeiture. AB 90 recognizes psychological coercion within the context of asset forfeiture, and makes the resulting funds available for minor victims of human trafficking through the Victim-Witness Assistance Fund.

*Signed by Governor Brown on October 4 Chaptered by Secretary of State –Chapter 457, Statutes of 2011.*

# IMPORTANT LEGISLATIVE ACCOMPLISHMENTS

**Bills from Assemblymember Sandré R. Swanson that are NOW California Law:**

---

## **Assembly Bill 12 (Swanson): The Abolition of Child Commerce, Exploitation, and Sexual Slavery Act**

The commercial exploitation of minors is exploding in low-income communities and communities of color. The Abolition of Child Commerce, Exploitation, and Sexual Slavery Act (ACCESS Act) increases the fine to a maximum of \$25,000 against a person procuring a minor for sex and directs those fines to organizations that help victims transition to a healthy and safe lifestyle.

*Signed by Governor Brown on July 11.  
Chapered by Secretary of State –Chapter 75,  
Statutes of 2011.*

---

## **Assembly Bill 764 (Swanson): Voluntary Tax Contributions for Exploited Minors**

AB 764 would add a new donation box to the state income tax form that would allow taxpayers to voluntarily donate to programs that provide assistance to child victims of commercial

sexual exploitation. Young trafficking victims suffer from significant physical and mental health problems, including post-traumatic stress disorder, depression, and trauma bonding, resulting from displacement and abuse. AB 764 will help fund programs providing vital support services.

*Signed by Governor Brown on October 4.  
Chapered by Secretary of State –Chapter 465,  
Statutes of 2011.*

---

## **Assembly Bill 799 (Swanson): Alameda County Diversion Program**

AB 799 extended and expanded a successful diversion program for commercially sexually exploited minors in Alameda County. Rather than cycling child “prostitutes” through the criminal justice system, the program provides law enforcement with tools to identify exploited minors and provide them with extensive wrap-around services to address their physical and mental health needs.

### **Assembly Concurrent Resolution 77 (Swanson): Implementing The California Global Warming Solutions Act of 2006**

This resolution urges the Air Resources Board to meet the statutory requirements of the California Global Warming Solutions Act of 2006 by ensuring that its analysis of specified emission reduction measures include prescribed components.

Resolved by the Assembly of the State of California, the Senate thereof concurring, that the Legislature of California joins California's workers and their families in urging the State Air

Resources Board to meet the statutory requirements of the act for the preparation of the best available economic analysis by ensuring that its analysis of the emission reduction measures as proposed in the scoping plan and related rulemaking includes the following:

- (a) An analysis of the projected employment impacts of the proposed measures by sector in each of the years leading up to 2020 and beyond that specifies, in particular, the potential for green collar jobs to be located in California or outside California.
- (b) Identification of the types of jobs that will be created in California, the industry sectors for which the jobs will be created, and the wage and benefit levels expected for those workers.
- (c) Identification of the types of jobs that may be lost in California and the industry sectors in which the jobs may be lost.
- (d) A plan for providing California workers with a training program for new green technology jobs that are different from the traditional jobs in energy, transportation, and construction;

and be it further resolved, that the Chief Clerk of the Assembly transmit copies of this resolution to the State Air Resources Board and to the author for appropriate distribution.

### **Assembly Bill 1980 (Swanson): Peralta College Transportation Accessibility Act**

Many students in the Peralta Community College District depend on public transit to get from work to class to home. This bill will allow the Peralta Community College District to approve a low fee on the entire student body to fund low-cost bus and BART passes that could save students up to \$1,300 per year and increase the use of public transportation.

## **Assembly Bill 1136 (Swanson): Patient and Health Care Worker Safety**

AB 1136 requires general acute care hospitals to maintain trained lift teams to handle patient lifts, repositioning, and transfers. The bill protects workers from disciplinary action if they choose not to lift a patient because of safety concerns. AB 1136 also provides hospitals with flexibility to establish safe patient policies reflective of their unique needs and allows hospitals to train existing staff as lift team members to avoid the cost of hiring new employees.

Over 12 percent of the nursing workforce leaves the occupation each year due to back injuries. California's nursing workforce is aging at the same time patient acuity and obesity is rising. It is imperative that we protect our registered nurses and other health care workers from injury, and provide patients with safe and appropriate care.

## **Assembly Bill 184 (Swanson): Seismic Safety Financing Act**

Seismic Safety is a serious ongoing concern in California. Studies show that 26,000 of the 163,000 housing units in Oakland would be left uninhabitable after the next large earthquake if seismic safety upgrades were not installed. AB 184 provides a financing option to homeowners who wish to make seismic improvements to their homes, removing much of the upfront expense.

## **Assembly Bill 801: Illegal Dumping Enforcement- keeping Communities Clean**

AB 801, Illegal dumping enforcement officers and code enforcement officers. An act to amend Section 830.7 of the Penal Code, relating to law enforcement officers.

Existing law defines "code enforcement officer" to mean specified persons employed by any governmental subdivision, public or quasi-public corporation, public agency, public service corporation, any town, city, county, or municipal corporation, whether incorporated or chartered, who have enforcement authority for health, safety, and welfare requirements, and whose duties include enforcement of any statute, rules, regulations, or standards, and who are authorized to issue citations, or file formal complaints. The term also refers to any person who is employed by the Department of Housing and Community Development who has enforcement authority for health, safety, and welfare requirements relating to housing, as specified.

AB 1357 increases voter registration opportunities by authorizing counties to provide voter registration forms on their government websites. The online federal form currently provided by the Secretary of State is missing critical information that is required under California law, including place of birth and the permanent vote by mail request box. AB 1357 strengthens the registration process by reducing unnecessary burdens on county election officials and expanding public access to voter registration.

---

### **Assembly Bill 1440 (Swanson): Provisional Ballots for Emergency Workers**

AB 1440 ensures the integrity of California's democratic process during a Governor's declared state of emergency. AB 1440 would require county election officials to issue provisional ballots to fire fighters, police officers, and other emergency personnel whose duties require them to be outside of their home county on Election Day.

The fundamental right to vote should never be compromised by an emergency responder's call to duty.

### **Assembly Bill 216 (Swanson): Voter Residency Confirmation—Protecting Against the Purging of Voters**

AB 216, Swanson. Voters: residency confirmation. Amending Election Code. Existing law requires the county elections official to conduct a preelection residence confirmation procedure by mailing a specified non-forwardable postcard to each registered voter of the county by the 90th day immediately prior to the direct primary election. This bill would permit a county elections official, in lieu of mailing a residency confirmation postcard, to contract with a consumer credit reporting agency or its licensees to obtain change-of-address data. ## **Assembly Bill 1396 (Swanson): Fair Pay for Commissioned Employees**

AB 1396 requires all employers who have employees performing services in California involving “pay on a commission basis” put the commission agreement in a writing that sets forth how commissions will be computed and paid. The employer must give a signed copy of the contract to the employee and retain the employee's signed receipt of the contract. In the event the contract by its terms expires but the parties nevertheless continue to work under the expired contract, its terms are presumed to remain in full force and effect until the contract is expressly superseded by a new contract or the employment relationship is terminated.
