Chair of Senate Energy Committee Endorses Swanson for Senate

Senator Steve Bradford served with Assemblymember Sandré R. Swanson when Sandré represented Oakland, Alameda and Piedmont in the California State Assembly for three terms. Senator Bradford announced this week his endorsement of Sandré Swanson for State Senate 7th District. Senator Bradford is the Chair of the powerful Senate Standing Committee on Energy, Utilities and Communications.

In his statement of endorsement for Sandré Swanson, Senator Bradford said, “I know Sandré to be the type of policy maker that stands up for his community, protecting workers and fighting to grow the Middle Class. He was a leading voice for making education California’s number one budget priority and providing full funding for schools. Sandré is a problem solver and would like to continue his work on policies that will make this state better for all of us. I enthusiastically endorse Sandré R Swanson for California State Senate 7th District.”

Swanson said, “I am very happy that Senator Bradford is joining our campaign with his active support. It was my pleasure to work with him on sustainable green jobs and our fight for more funding for California schools, when I Chaired the Assembly Labor and Employment Committee and served on the Assembly Budget Committee on Education Finance.”

If elected, Sandré Swanson would be the only African-American in the State Senate from Northern California. More on Swanson’s record can be found at www.sandreswanson.net
